MOTION ON CONSENT TO AMEND APPLICATION

The parties to the above-referenced proceeding jointly request that the identification of goods in the subject application be amended as follows:

Class 9: Transponders, radio frequency identification tags; identification devices consisting of an assembly of an electronic circuit and an antenna contained in a housing; transponders mounted on cards and tags made from plastic, paper, or cardboard; all aforementioned goods for use and application in severe environments for RFID tags, namely for use and application in the fields of textile and industrial laundry, factory automation, tools identification, and tires identification; radio frequency identification tag readers.

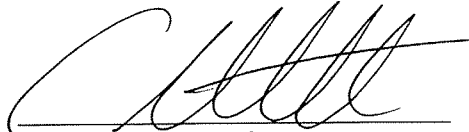

The parties make this request in connection with settlement negotiations. Counsel for

Plaintiff, Katherine M. Basile, consented to the above-scheduled extension in an e-mail to Applicant's counsel on December 20, 2008.

Respectfully submitted,

Dated: December 22, 2008
